MUSICAL RISE WEBSITE NAVIGATION

ORIGINALS MUSIC DIGITAL PRODUCTS/ITEMS OF AJ HOW & CO

There are many pages on the website with products, information and other items. Audio Video Midi PDFs and other files can be heard, viewed accessed, downloaded; complimentary items, priced items added to cart and downloaded upon purchase.

All the products and items are digital files.

THE MUSICAL RISE WEBSITE MAIN MENU & TOP MENUS ACCESS PAGES.

Select the Menu bars/MENU (toggle feature) text at the top of each screen, the pages' titles will drop down in view; links which will load the page selected.

Select the page title listed to load the page.

Some areas of the website will open in a new tab page in the Internet Browser.

Close any pages you do not want left open ('x' top browser screens and other methods to close page).

The headers on each page are linked to areas of the website.

The Store Entrance header links back to the home/entrance page of the website.

The Store pages' headers inside the store link to the Store Entrance page.

All other headers link to the Home/Entrance page of the website.

Cookies Notice appears as a lower screen **banner** on main pages of the website with linked titled 'Cookies' access top right pages.

The 'x' top right of the banner closes the banner and accepts basic cookies as does scrolling the page without making a choice; as noted on the banner in text.

Cookies include Necessary, Functional, Performance, Analytics, Other basic.

Select from Buttons lower on the banner 'ACCEPT * SETTINGS * REJECT'.

Settings will load a screen with toggle options which are preset to 'off' position.

Select the toggle button to turn on your chosen setting. Select 'Save' button lower settings screen.

The cookies settings can also be managed on the NLI page Cookies section ~ 'Manage Consent'.

VLP buttons throughout the site access Product Pages for individual and bundled items with options to listen to, view and add items to the cart; some offer direct file downloading.

The **shopping cart** icons and '**IN CART**' buttons access the **checkout page**.

Store pages and affiliated include access to products' information with '**Add to Cart**' buttons.
