**VERSE 1**

You know how it is when your heart rules your head,  
it can lead you to friendship, it can lead you to bed.  
Climbing so high, one slip and you're dead.  
I guess that my heart always led me to you,  
I'd be anything that you want me to;  
but there's one thing I can't be and that's endlessly new.
